

OPERATION CENTURION

IVORY COAST TEAM

A dream come true! This was how Pastor Oberlin, Director of the Bible Institute, described the building work carried out by two Operation Centurion teams in August and November 2006.

During the three weeks the second team of men worked tirelessly to see as much accomplished as possible. The brickwork was completed, the roof went on, the floors went in, ceilings were mounted, doors were hung and plastering almost finished. For all who have been involved

in this project it is 'A dream come true!'

We want to say a sincere thank you to all who made this project possible whether by praying, giving, or going! As we look back over this past year it is with a sense of deep gratitude to God who enabled us to see a dream become reality! Looking towards 2007 our prayer is that God will use these new facilities to see faithful men trained and equipped for ministry in Ivory Coast. ■

William Brown

OPERATION CENTURION 2007

Plans are beginning to be made for the coming year and possible destinations for Operation Centurion teams include, Brazil, Ivory Coast, France and Spain.

If you would be interested in knowing more about Operation Centurion or would like to join one of the teams please contact one of our offices or send an email to centurion@ufm.org.uk. ■

SUMMER TEAMS

This year Summer Teams are being planned to:

Brazil **3-24 July 2007**
Leader: Mez McConnell

Brittany **7-17 July 2007**
Leader: William Brown

Hungary **7-14 July**
Leader: Iain Cameron

Spain **July**
Leader: Jonathan Sanlon

Portugal **July**
Leader: Colin Doake

Summer Teams provide a great opportunity to get involved in Christian service in another culture. This can be very challenging. Those who go on teams often find that they learn to trust the Lord in a deeper way and also gain real insights into cross-cultural ministry.

For some, going on a summer team is the first step in feeling a sense of call to serve the Lord overseas. For others a summer team experience leads to a lifetime concern for world mission.

It is a great help in planning the teams to know who might be interested in going. If you are over 18 and would like further information about Summer Teams please contact one of our offices or send an email to: summerteams2007@ufm.org.uk
