

Are you looking for a challenge? How about maintenance work in the beautiful remote place of Rumginae, Papua New Guinea?

Is God calling you to come and join us?

Rumginae has a mission hospital and training school serving a large number of people with spiritual and physical health care. There is also a local Bible school and community school. Rumginae is a base for MAF (Mission Aviation Fellowship) – so we have pilots and planes based with us.

The hospital and local houses are built of wood, so there is a constant battle with the white ants! We are never on top of all there is to do – vehicles to maintain, plumbing, holes in the floor, leaks in the roof.....! We assure you, you will not be bored!! There is plenty of work and a good variety of all kinds of maintenance.

We have a staff of national men to do a lot of the work but there is the requirement to upgrade their levels of expertise. We are looking for a person with practical skills and experience who would be able to pass on those skills and experience through intentional training.

We need someone to help people to grow in their practical knowledge and skills as well as in spiritual maturity. An ability to communicate clearly and simply to people of non English speaking background is essential.

Is God calling you to come and join us?

A MAF plane prepares to take off.

A local church at Rumginae.

A Prayer For Rumginae

*Lord, what we ask is for godly men-
Men whose hearts are turned to You;
Men who shun all selfish ambition;
Men who to your Word are true.*

*And, Lord, we ask for women with
beauty That shines from the very
depth of their heart; Righteous women
of noble character Who in your
Body take their part.*

*And give us, Lord, God-fearing children
Who love your Word and know it's true;
Whose hearts are filled with love for Jesus;
Who want to please Him in all they do.*

*So as a Body of Christian believers
May we show Your love to all;
And as a light to those around us
May we be obedient to Your call.*

*And when our days on earth are ended
And the trumpet calls us Home
Unashamed we'll hear our Master
Sound the welcome, "Child, Well done!"*
